Complaint

Comes now the Plaintiff, Jonathan Lee Riches©, in pro-se, moves this court under 42 usc 1983. I seek relief under the whistleblowing act of $12 million dollars and the return of Howards MVP trophy for cheating. I was a private investigator before convicted for Identity theft. Howard had a verizon wireless Phone, Howard called Barry Bonds, Jose Canseco, Sammy SOSA, and Jason Grimsley over a thousand times. Howard also emailed victor conte from Balco. Howard does not write to me anymore at FCI Williamsburg, I'm in Solitary confinement. Howard went to a Tampa Bay Halloween party dressed as a steroid needle. Howard is also related to Ron Howard of the Da Vinci Code. Howard is not feeding me a proper diet. My 6th amendment rights are being violated. The fightin Phillies injured me.
